

## Mustang Baseball

### Parents & Coaches Code of Conduct / Image Release Form

- As a parent, you understand the daily pressures your child faces. We believe baseball requires discipline, but should also be an outlet for fun. Encourage your child and allow them to have a good time while playing the game.
- Remember that your child learns as much from your behavior and actions as your words. Practice good sportsmanship to other players, teams, coaches, umpires, and parents at all times.
- Always applaud a good play by an opposing team's player. You are as important a role model during the game as any of the coaches or officials on the field.
- Coaches are volunteers in our organization, and put in a lot of hard work to mentor your child. To lessen confusion, and out of respect for their position, please recognize their position by allowing the coaches to be the only person providing instruction during team events. Coaches instruct, Kids compete, and parents encourage.
- It is always encouraged to cheer and root for your player's team. It is expected to react to events in the game or practice. Refrain from any rude behavior, or extended loud protest of events on the field.
- Allow the coach to handle discussions with any officials, and always handle any concerns with the coach or any decisions made by team officials with them in a private, one-on-one manner.
- Please encourage discipline with your child by being on time for the start of team events.
- Being part of a team requires commitment. Please show your child that commitment by being at all possible team events and participating in all possible team activities or consider volunteering when offered.
- Please discuss all coaches and official's decisions and calls with your child in a respectful manner.
